

Allied Health & NGO Business Master Class

Christchurch, 21/22 February 2019

Business Case Writing for AHPs & NGOs

Presenters

We have put together a team of presenters with a wide range of allied health and clinical, leadership, management, business and governance experience to stimulate and challenge your thinking.

Janice Mueller (NZRP, ADP (Paediatrics), MBA (Dist), MInstD)

Janice is a Director of [Waipata Consulting Ltd](#), a specialist health consultancy business providing health management consultancy services across Australasia. She has extensive experience in governance, leading change management, holding masterclasses, strategic planning, undertaking service reviews, workforce development and professional regulation. She mentors allied health businesses and new executives.

Janice is the current Chair of the [Physiotherapy Board of New Zealand](#) and has been a board member since 2010. She is a Life Member of PNZ, is a member of the [InterRAI Governance Board](#), chairs the [INPTRA](#) Membership Committee and is a member of the [HWNZ Allied Health Taskforce Group](#). In 2018, Janice was awarded the 'International Allied Health Award for Development' for 'an outstanding contribution to advancing allied health leadership' by the network of International Chief Health Professions Officers.

Sharon Peck (NZRP) - Chairperson & Clinical Leader for Physiotherapy Primary Intervention Group (PPIG)

Sharon is an experienced musculoskeletal physiotherapist, with over 35 years in public and private settings. Sharon currently chairs PPIG, a unique physiotherapy collaboration that has established a highly successful community-based approach to osteoarthritis rehabilitation in rural Aotearoa New Zealand. PPIG currently holds both DHB and MOH Tranche 1 MAP funding contracts. Sharon also established the first physiotherapy led orthopaedic clinic service in New Zealand. This successful service for the DHB prompted the PPIG initiative.

Karen Evison (NZRP) - Director Strategy, Planning and Funding for [Lakes District Health Board](#) (DHB)

Karen started in health as a Physiotherapist and through her journey worked in acute hospitals, schools, community, public health and the Ministry of Health. She has taken an interest in commissioning and has experience across a range of approaches. Karen supports using the right tool or approach to get the outcome you are seeking, and is a strong supporter of an integrated health system that supports equitable health outcomes. Karen is passionate about improving the wellbeing of the communities we serve.

	<p>Taima (Tukukino) Campbell (Ngāti Tamatera; Ngāti Maru; Ngāti Kiriwera) (RGON, MHSc Nsg) – Clinical Services Manager at Te Korowai Hauora o Hauraki, a rural Iwi-based, not-for profit, incorporated society providing health and wellness services across the Hauraki rohe.</p> <p>Taima is an experienced nurse leader and has worked extensively in both the public and NGO sectors. She is passionate about Māori workforce development and is actively involved in Ngā Manukura o Āpōpō. Taima is a Director of ProCare Network Ltd and serves on the Health Practitioners Disciplinary Tribunal (nurse member).</p>
